

Sede : Camberwell College of Arts, Camberwell. London, UK.

Attività : Artist-in-Residence nella sezione ceramica.

Periodo : 5 settimane dall'aprile 2007

Artist-in-residence significa lavorare temporaneamente nello studio della scuola, con uno spazio riservato ma nello stesso ambiente di lavoro degli studenti. Ho continuato la mia attività che normalmente svolgo nel mio studio. Esperienze con forni all'aperto. Smalti salati. A questo lavoro sono seguite partecipazioni a mostre collettive nella scena londinese.

Proiezioni di fotografie con varie classi di studenti.

Location : Camberwell College of Arts, Camberwell. London, UK.

Activities : Artist-in-Residence at ceramic department.

Time period : 5 weeks starting april 2007.

Artist-in-Residence means to be invited to work temporary at the school's studios , with a reserved space but among students. I was simply continuing what I use to do at my studio. Experiences with outdoor firings. Salt firings. Few collective exhibition into London scene were following this working time at Camberwell.

Slides shows with various students classes.
